

SJMC Members Directory 2016

Dear brothers and sisters in Christ,

Our Lord said, "Where two or three have gathered together in My name, I am there in their midst." (Matthew 18:20). We are not unaccompanied; we are unified with each other and with Jesus.

As a community we require communication. Bible itself a communication system of shared principles, practices, memories, hopes etc. Directory presents communication source in the church. But it is not merely a listing of contacts among the church members. I hope that it will help the church members to develop connections and cultivate hospitality among the members of this church. While we come together at church for worship God, study the Word of God and celebrate the body and blood of Christ, the borders of our church extend also to our homes.

I know, in the church, many of you have long connections with others. But use this directory to make deep hearty connections with one another in Christ. Because, in Christ we are the brothers and sisters. So we have to share the love and kindness of God.

We can use this directory as a tool, which guide us to gather together for ministry. Please be present and communicate to one another in crisis. Share the good news and bad news that unites us in universal happiness and concern. But remember do not misuse this contacts. This pictorial directory is a blessing to the St. James family. The completion of this directory helps us keep in touch with our members. Like St. James we have to make the Fellowship with God and other human beings. As followers of Jesus Christ, express our love for Jesus by participating actively in the life of this parish family, and our wider, local community. As we continue to not only be friendly, but caring and nurturing, helping and compassionate – in the way of Jesus Christ. I promote each of you to remember our intention: To fulfill the great commission of Christ; searching and comforting those that are lost. So enjoy your pictorial directory, use it, and keep in mind it's not just a collection of photos or a common book. This pictorial directory is our church family album.

Many church members work behind this directory. May God bless them. I would like to give a special thanks to them especially Mr. David Arthur. Also many thanks to the worshippers of St. James family, who made time for providing information and correcting the details whenever I visited you.

v

Please enjoy the directory. I am encouraging 100% participation!

May God bless you.
